WE ARE FAMILY

Queer collections and Library Relationships
A public library perspective

Kim Edson, Rochester Public Library
If you build it...

- Build collections for your community – all of your community
- Be welcoming, respect confidentiality
- Include LGBT materials in a variety of booklists for a variety of ages
- Create displays, booklists and other passive Readers Advisory tools
- Be prepared for challenges
Outreach is critical
Be welcoming, respect confidentiality
Share the library story
Collaborate
- Materials
- Programming
- Services
